1. FOREWORD OF THE EVENT DIRECTOR

Dear IISHF Officials and Referees,
Dear participating Teams,
Dear Inline Skater Hockey Fans,

As Event Director and member of the committee of the host club, I welcome you in Switzerland and in Givisiez.

The SHC Givisiez has the privilege and the honor of hosting the IISHF Men European Cup 2019, which is our tenth European competition since 2011 and for me the seventh and last tournament. I hope that you will all feel at the RealSport Arena at home, that of Inline Skater Hockey and friendship. My organizing committee has worked hard to make your stay as pleasant as possible. I would like to thank him and of course all the volunteers who make this event as one of the highlights in the Inline Skater Hockey season.

The highlight would not be complete without the game. With the IISHF Men European Cup 2019 we will have twelve Champions, Vice-Champions or Top Teams from Denmark, Germany, Great Britain, Russia and Switzerland. However I regret that all member countries of the IISHF and especially all national Champions are not represented. Let me address a word to the Teams. It is for them that we are working with passion. My wish is that we will assist to a thrilling competition and engaged games with a great hockey action. Despite the challenge you must never forget that this is a sport and a game. Have fun, but in a spirit of mutual respect and fair play. Place to the game and may the best Team win!

I wish you, Dear IISHF Officials and Referees, Dear participating Teams and Dear Inline Skater Hockey Fans a great tournament.

Yvan Demierre
Event Director

2. THE SKATER HOCKEY CLUB GIVISIEZ

The SHC Givisiez was founded in 1994 and celebrate proudly its 25th anniversary. Our Senior Team played two years in the lower leagues before reaching the National League B and a promotion for the National League A in 1999. The club is now composed of 11 Teams playing in different categories of games. One Team is also playing street hockey.

The SHC Givisiez has always the policy to make a special effort for the formation. This has paid off for our Junior Team with the winning of a national title and with the participation to the U19 European Cup in 2000. Our Youth Team also participated to the U16 European Cup 2000. A note that the Junior Team won the Swiss Cup in 2005.

Our Senior Team won the Swiss Cup and the Swiss Vice-champion title in 2010 and the first Swiss Champion title in 2011. He finished the 2016 and 2017 seasons with a new title as Swiss Vice-Champion. Our Women Team was sacred Swiss Champion in 2011.

The Senior Team has participated to eight European Tournaments (four at home). The Team won the European Vice-champion title to the Men European Cup Winners 2011, the 4th place to the Men European Cup 2012 and a great 3rd place to the Men European Cup Winners 2013. Our Women Team participated twice to the Women European Cup (2010 and 2011).

The PeeWee Team won in 2013 the first European Champion title in the club's history at home for the U13 European Cup.

A note that the SHC Givisiez has twice received the Sports Awards Fribourg in the team sport category (2005 and 2011). The Club was also rewarded with the Panathlon title in 2010.

The SHC Givisiez is playing indoor since 2010. The RealSport Arena is dedicated exclusively to inline skater hockey and it is fully covered and closed. The rink offers a spectacular dimension for the Swiss Championships, for training camps of the Swiss national Teams and J + S (Youth and Sport). Finally, this infrastructure enables the organization of European tournaments.

Thanks to RealSport Arena the SHC Givisiez has set up and hosted eight European Cups (without the present tournament) and one European Championships. The Senior Swiss Team won in 2012 the European Champion title in Givisiez.

3. THE REALSPORT ARENA

The RealSport Arena is the home of the SHC Givisiez and your home for three days during the Men European Cup 2019. It was built on the old open rink in 2010/2011 and inaugurated in July 2011.

The RealSport Arena is dedicated exclusively to Inline Skater Hockey and it is fully covered and closed. The infrastructure is related to the sports complex of Chandolan and are owned by the municipality of Givisiez.

Since the opening in 2011 the RealSport Arena has hosted many Swiss Championship games or finals, training sessions of the Swiss national Teams (Senior and U19) and J + S (Youth and Sport) but also nine IISHF European tournaments: Men European Cup 2012 and 2015, Men European Championships 2012, Men European Cup Winners 2011 and 2013, Women European Cup 2011, U13 European Cup 2013, U19 European Cup 2014 and Veterans European Cup 2017. RealSport Arena by day view (outside):

According to the IISHF Regulations all conditions are completely fulfilled. The size of the pitch is 40 x 20m with a 1m20 high board. A new synthetic resin floor was laid in August 2017. There are two electronic scoreboards that can be used for each game. During the European competitions two HD screens are used to display the results and pictures of the games.

There are four changing rooms with showers for the Teams and two for the referees in the RealSport Arena. Additional changing rooms with showers are available in other locals near the rink (four at the old refreshment room and two in containers beside the second open rink). Two additional changing rooms in containers can be set for the Men European Cups.

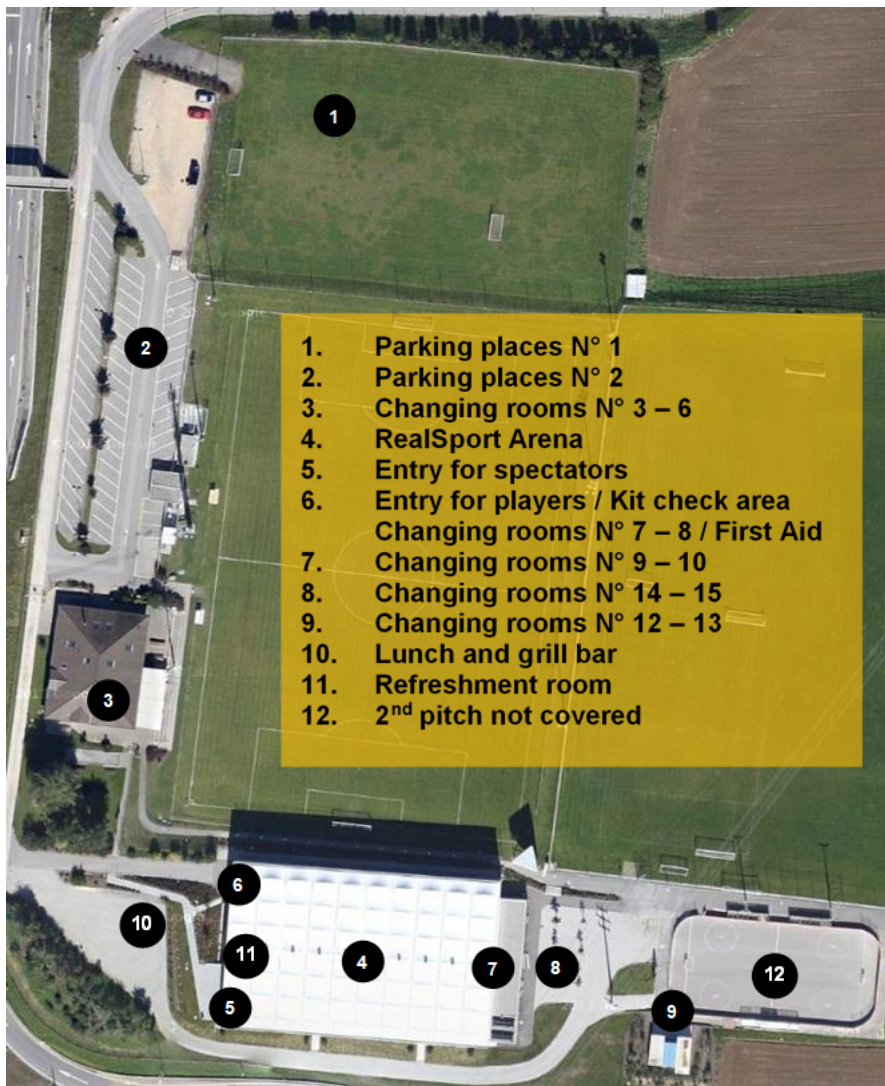

There is a separate room for medical treatment (first aid). Since spring 2017 a fully equipped refreshment bar with drinks and snacks brings more comfort to the spectators. If needed other distribution points for food as lunches or grill and drinks are outside the rink.

The RealSport Arena allows to welcome 500 sitting spectators.

9. TOURNAMENT RULES

1. PLAYING RULES

- 1.1 The Men European Cup 2019 will be played according to the "IISHF Official Rule Book 2018/19 VERSION".
- 1.2 All Players must wear the full and correct player's equipment according to point 5 of IISHF Official Rule Book.

All Players must wear identical jerseys, but these may not be black/white or black/grey and must be worn completely outside of the pants. All players must wear identical helmets. All Players must wear either identical padded shorts or socks, or girdle/padded shorts covered with long trousers (except the goalkeepers). Each player in a team must wear an individual number 20 to 30 cm high on the back of the jersey and minimum 10 cm high on both sleeves, halfway between the shoulder and the elbow. The number must be an integer within 1 to 99 inclusive.

Please be aware that failure of a team to play without matching equipment in contravention of point IISHF Official Rule Book "player's uniform" will result into IISHF disciplinary action. Any jewellery or metal objects attached to a player's body must be removed where possible, if it is not possible to be removed it must be taped. All Junior outfield players must wear a helmet with full face cage/visor and a shoulder and chest protector. All players born after 31.12.1992 must also always wear a full face cage/visor.

- 1.3 There will be no general kit check carried out at this event. Players unsure whether their equipment complies with the Official Rule Book shall seek contact with either the Technical Director or the Referee Supervisor of the event at any time. Any players found to have any equipment not conforming to the rules by the referee during the game will be penalised according to the IISHF Official Rule Book.

Goalkeepers' face masks must be in compliance with the IISHF Official Rule Book. Teams shall have their goalkeeper's face masks checked by the Technical Director or the Referee Supervisor of the event at the manager's meeting if they want to make sure that the face masks can be used legally during the games. Alternatively any goalkeeper can contact the Technical Director or Referee Supervisor at any time prior to his first game to have his face mask checked.

At its own initiative (without request) every team must provide two fully dressed goalkeepers before the start of their first game to the Technical Director or the Referee Supervisor of the event - please be aware that failure to provide two goalkeepers before the start of their first game will result to IISHF disciplinary action (Fine per each missing goalkeeper per game).

- 1.4 The maximum number of players that may be registered as members of a Team for any game is 18 (as listed in the Match Report). All teams must have a minimum of 8 players – these players must be kitted up and be on the players bench or on the pitch for the first game of the tournament (an exception is only possible if under proven force majeure where as Yellow/Red Card and/or Red Card and/or Black Card are not considered as force majeure).
- 1.5 Each team must have at least one Bench Official. All persons except players kitted up and listed on the Match Report will be deemed to be a Bench Official. Only players listed on the Match Report and a maximum of 5 Bench Officials (one with a minimum age of 18 years and the others with a minimum age of 16 years) are allowed to be on the bench as Bench Official.
- 1.6 Team Managers are responsible for providing a valid playing pass/membership card (issued by the relevant National Member Association) or valid passport or valid National identity card of each player participating in his/her first game to the Technical Director prior to at least one hour before the start of the game (Remark: Without playing pass or membership card or passport or National identity card a player is not eligible).
- 1.7 Not later than 30 minutes before each game, a Team Official or the Captain of a team shall submit to the Technical Director or the Technical Director's office a list of players who shall be eligible to play in that game indicating all shirt numbers. If no list is produced by a team before a game, the team list of the previous game will be taken as official list of all players for this game. If a player is taking part in a game although he is not listed on the game sheet (according to the before mentioned players list), a player is ineligible to play. Any team found to be playing an ineligible player will face disciplinary action as described under point 3.1 Tournament Rules.
- 1.8 Teams must not go onto the Pitch until they have permission from the Team Steward or Referee and until all members of the Teams competing in the previous game have completely left the Pitch Area.
- 1.9 The games and playing time incl. playing modus (running time or stopped time) are listed in the Official Time Schedule of 02.04.2019. For all games with a playing time less than 30 minutes (without extra time) all Penalties and Cards shall be generally reduced by 50% whereas for all games with minimum 30 minutes playing time (without extra time) all Penalties and Cards are completely served. Breaks between periods are 2 minutes for games of 30 minutes maximum or 5 minutes for games longer than 30 minutes. Break in extra time periods are 2 minutes.
- 1.10 Each team will be allowed one Time Out of 30 seconds in each period of each game.

- 1.11 In the first round (groups A-B), if there are 2 or more teams equal after all the games have been played, the places will be decided on the following:
1. Head-to-head-results
 2. Goals difference of the head-to-head games
 3. Goals 'for' of the head-to-head games
 4. Goals difference of all games
 5. Goals 'for' of all games
 6. Total Penalty time of all games
 7. If both teams (in the case that only 2 teams are equal) are on the pitch, then a penalty shoot-out will take place; if not, a coin will be tossed to determine which team will take which place.
- 1.12 If a game needs to have a winner, then one "Sudden Victory" period of 5 minutes extra time will be played with 1 goalkeeper and 3 outfield players per team – the game shall be ended as soon as one team scores a goal and the scoring team will be the winner. Overtime is generally played with stopped time for the complete duration of the overtime – regardless of the clock operation mode decided for the regular playing time. If no goal is scored within extra time, then a penalty shoot-out with 5 players per each team will take place.
- 1.13 In any game where in the opinion of the referee, the colours of the competing teams are so alike that there is a risk of a miscall by the referee, the away team or second named team on the match sheet (according to the Official Time Schedule of 02.04.2019) must change their shirts. Thus each team must bring two sets of shirts with different colours to the Men European Cup 2019.
- 1.14 If because of unforeseen reasons there is a delay of more than 60 minutes during the final day (Sunday 30.06.2019), the Technical Director (after consultation with IISHF Presidium) is allowed to modify the Time Schedule of the remaining games by shortening the time periods.

2. PITCH AND CHANGING ROOMS

- 2.1 There are 12 Changing Rooms for the teams in total. 10 changing rooms are with showers (4 in the RealSport Arena, 4 at the old refreshment area near the RealSport Arena and 2 in containers in the back of the RealSport Arena). Two additional changing rooms are in containers in the back of the RealSport Arena and there the players have to share the showers from the changing rooms nearby. Please leave rooms clean, tidy and undamaged.
- 2.2 The host will take EUR (CHF 100,- as deposit for a locker key (of the changing room). In the case of damage to lockers and the changing room, the team will be liable to a claim for compensation. The key has to be returned to the Event Director for return of deposit after the changing rooms have been left in a proper way at the end of the tournament.
- 2.3 The address of the pitch is "**Centre sportif de Chandolan, Chemin du Giratoire 1, 1762 Givisiez (Switzerland)**". The rink has a size of 20 x 40 meters and the pitch has a floor made of synthetic material (recommendation to use soft wheels).

- 3.1 Each player is only eligible to play at the Men European Cup 2019 if he shall produce a valid playing pass/membership card (issued by the relevant National Member Association) which shows the players name, date of birth and photograph, and if the player is listed on the approved International Team Certificate (ITC). An individual player listed on the ITC can produce his passport or national identity card instead of his playing pass (membership card) to verify his identity. No copy, no fax and no other document shall replace a playing pass or a membership card or a passport or national identity card. The relevant document (playing pass, membership card, passport or national identity card) must be produced by the Team Manager to the Technical Director at latest at the start of the Team Manager's Meeting.

There is no upper age limit for players participating at the Men European Cup 2019. The lower age limit for participating players at the Men European Cup 2019 is generally any player born in 2003 (youngest).

- 3.2 Any team found to be playing an illegal/ineligible player will face a fine imposed by the IISHF and the non-offending team shall win the game and gain 2 points. The score will be as follows: The non-offending team shall keep their score + 5 goals, while the offending team shall have a score of 0.

4. VENUE RULES

Teams must not take kit bags to the team benches or into the Pitch Area and Spectators Area. No (water) bottles are allowed on top of the goals. - 4.6 Skates must not be worn outside the Playing Hall and Changing Rooms (except direct way to the Pitch). There is no access to the Spectator Area with skates. Skates need to be covered with white cotton (adhesive) tape that in case of dispute needs to be approved by the Technical Director.
- 4.7 Kicking or beating against barriers (boards) is strictly prohibited.

- 4.8 Teams (incl. players and officials) and spectators must obey any Venue Rules and Tournament Rules. Failure to attend the Rules will result in IISHF Disciplinary Action.
- 4.9 There will be no spectator (entry) fees.
- 4.10 Any player who lost his accreditation card has to pay the full amount of entrance fees for all the remaining days to get a new accreditation card. Any person who uses the accreditation card from another person will be immediately suspended from the remainder of the event plus 100 EUR to the club of the relevant person.
- 4.11 **The installation of third facilities other than those provided by the host club (e.g. installation of a camping tent) is strictly prohibited by the local authorities in the Tournament Area.**

The host club will provide food and drinks during the Tournament. Preparing meals other than those provided by the host club is prohibited in the Tournament Area. Teams are requested to observe the instructions of the hosting club regarding the parking of their vehicles (car, minibuses or buses).

5. LEGAL INFORMATIONS

- 5.1 Any player/team official who receives a Game Misconduct Penalty (Yellow and Red Card) during this European Cup is not allowed to play/take any further part in the remainder of the relevant game. He may then play again in the successive games of this event but will receive a fixed fine from the IISHF.

During the time of suspension the player and/or team official is not allowed to be on the player's bench or around the immediate vicinity of the pitch.

- 5.2 Any player/team official who receives a Match Penalty (Red Card) during this European Cup is not allowed to play/take any further part in his/her next two games. After the two games suspension he may then play again in the successive games of this event but will receive a fixed fine from the IISHF.

During the game in progress the player/team official is not allowed to be on the player's bench, the spectator's area or around the immediate vicinity of the pitch. During the following two games of suspension the player and/or team official is not allowed to be on the player's bench or around the immediate vicinity of the pitch, but is allowed to be in the spectator's area as long as he/she behaves in the opinion of the Technical Director absolutely inconspicuous.

- 5.3 Any player/team official who receives a Gross Match Penalty (Black Card) during this European Cup is not allowed to play/take any further part again in this event. Any player receiving a Black Card cannot play again in following international matches on other international events until he has had a disciplinary hearing and until any fines have been completely paid and bans completely served.

During the time of suspension the player/team official is not allowed to be on the player's bench, the spectator's area or around the immediate vicinity of the pitch, but is allowed to be in the spectator's area as long as he/she behaves in the opinion of the Technical Director absolutely inconspicuous. The player/team official is not allowed to take part in the presentation ceremony.

- 5.4 During a title event a protest or application claiming 'An Act of God' can be handed over to the Technical Director together with cash payment of the protest fee of 200 Euros no later than sixty (60) minutes after the end of the relevant game. Each protest or application claiming 'An Act of God' must be accompanied by any relevant proof or evidence. The Technical Director (in coordination with the IISHF Presidium) will decide about any protest or application claiming 'An Act of God'.
- 5.5 The IISHF Presidium has appointed a Technical Director (see point 8.3 Tournament Rules) who speaks English. The Technical Director has full jurisdiction over all Game Officials except decisions made by the referees during a game. The Technical Director has full authority, on matters relating to safety and game equipment.
- The host has appointed an Event Director (see point 8.2 Tournament Rules) who speaks English. The Event Director represents the host and takes over all responsibilities of the host. The Event Director has full responsibility and can take decisions on matters relating to the infrastructure and the venue. For all other non technical matters, the Event Director must work closely together with the Technical Director. In the case of any problem/dispute, the Technical Director (in coordination with the IISHF Presidium) has the authority to make any final decision.
- 5.6 In the case that any point of these Tournament Rules is contradictory to the current version of the IISHF Regulations and/or IISHF Official Rule Book, these Tournament Rules (with version of 12.05.2019) are binding and official for the Men European Cup 2019. If any matter is not precisely mentioned in these Tournament Rules, the relevant contents of IISHF Regulations and/or IISHF IISHF Rules Book shall apply.
- 5.7 The sport of Inline Skater hockey is subjected to actively battle doping, the use of any illegal substances and the abuse of alcohol. Therefore the current World Anti-Doping Code published by the World Anti-Doping Agency (WADA) and the WADA Prohibited List -valid from 01.01.2019 - as well as its related documents is an integral part of the "IISHF Regulations". Thus all clubs/teams/players/officials taking part on the Men European Cup 2019 completely accept the mandatory articles and principles of the valid WADA code and regulations. 5.10 Non participation in a single game shall not be permitted and will result in penalties according to IISHF Regulations.

5.11 The Team Manager/Captain must return the "IISHF Title Event Feedback Form" and "IISHF All Star Form" to the Technical Director on the final day of the event no later than 15:00 – the feedback form will be given out during the Managers Meeting to all teams taking part. 5.12 The IISHF Presidium is authorised to modify these Tournament Rules of 12.05.2019 at any time; any modification will be valid with immediate effect after all the participating teams at the Men European Cup 2019 (or the relevant National Governing Body (NGB) of these teams) have been informed/instructed about the modification(s).

6. INTERNATIONAL TEAM CERTIFICATE (ITC)

6.1 According to § 20 IISHF Regulations any team participating in an European Cup must apply to their parent National Member Association for the issue of an IISHF International Team Certificate (ITC) and must produce it at the event.
